Epworth Village: *Things you need to know about collecting Campbell's Labels*

- *It is simple as pie!*
- *Save UPC codes only, we don't need the whole label*
- *Separate 1 point UPC codes from 5 pointers. This is helpful to our counters.*
- *Campbell's Labels never expire*
- *Click on the link to find a list of qualifying Campbell's products below for reference.*

Over the years: *The Campbell's Labels for Education program has provided Epworth Village with three vans and many much needed supplies for our school, the Epworth Village Learning Center. Several million labels have been cut, saved and counted by dedicated supporters such as you.*

It was: *Norfolk, Nebr. UMW Charlotte Reed who first spearheaded the Labels for Education effort on behalf of Epworth Village with the goal of collecting the 1,500,000 labels necessary for a van... a goal that has been met many times over.*

Just this year: *Epworth Village Learning Center benefited from the Labels for Education Program; with teachers receiving classroom materials ranging from books and art supplies, to CD players, playground balls, computer software and globes.*

Epworth Village: *Things you need to know about collecting General Mills Box Tops for Education*

- *It is simple as pie!*
- *Each of the Box Tops is worth 10-cents to our school*
- *Box Tops have expiration dates, so get them in quickly*
- *We just need the little Box Top cut out and sent in*
- *We don't save Betty Crocker points*
- *Click on this link to see a product listing.*

Over the years: *From September 2006-December 2009 a total of \$15,905 has been raised for Epworth Village Learning Center; one Box Top at a time.*

Volunteer: *Elaine Peterson, a Bradshaw UMW, has counted hundreds of thousands of Box Tops for Epworth Village single handedly. It is that kind of dedication that has made Box Tops collection so successful.*

Just this year: *Epworth Village Learning Center received over \$5,826 in support through the Box Tops for Education Program in 2008-09 and is currently the second ranked program in the state of Nebraska (Feb. 2010).*
